

# 8 REASONS

CUSTOMERS CHOOSE

## BOMGAR™

We asked customers why they chose us.  
Here are the reasons they gave:

### 01 #1 IN THE ENTERPRISE

More businesses with over 1,000 employees choose Bomgar for secure access

### 03 MORE PLATFORMS INCLUDED

Bomgar works seamlessly across Windows, Mac, and Linux. And we don't charge extra for iOS, Android, or mobile camera support

### 05 MORE DEPLOYMENT OPTIONS

We offer more buying and deployment options than anyone: Appliance, VM, Cloud, and more

### 07 IN 80+ COUNTRIES

Around the world, organizations large and small depend on Bomgar for secure access

### 02 MOST SECURE SOLUTION

The most secure companies in the world rely on Bomgar for secure access. Shouldn't you?

### 04 WE INTEGRATE WITH YOUR SYSTEMS

Connect Bomgar to service desk, CRM, ITSM, password vault, and multi-factor solutions.

### 06 10,000+ COMPANIES

More than 10,000 businesses access remote computers and devices every day with Bomgar

### 08 OUR 97% CUSTOMER SAT

Customers love Bomgar almost as much as we love them!
